Whether you make them sweet or savory, crepes are a crowd pleaser and a money maker! Deliver perfectly golden, delicate crepes to your customers with this 120v crepe maker from Concession Land. This crepe maker features a 15.75-inch diameter cast iron heating plate with a nonstick coating, allowing crepes to be turned easily without ripping or falling apart. An adjustable temperature dial gives you precise control over the heat when making crepes, and a power and warming indicator light let you see when the crepe maker is ready to be used.

The body of this crepe maker is made from stainless steel to ensure durability and long-lasting use. Its compact size makes it perfect for use in a variety of locations including back of the house, concession stands, catered events, street fairs, and more.
